

WELCOME

ABOUT COMPANY GENERAL

1

Located in
the geographical
center of Germany,
two Injection molding
production plants
in Thuringia

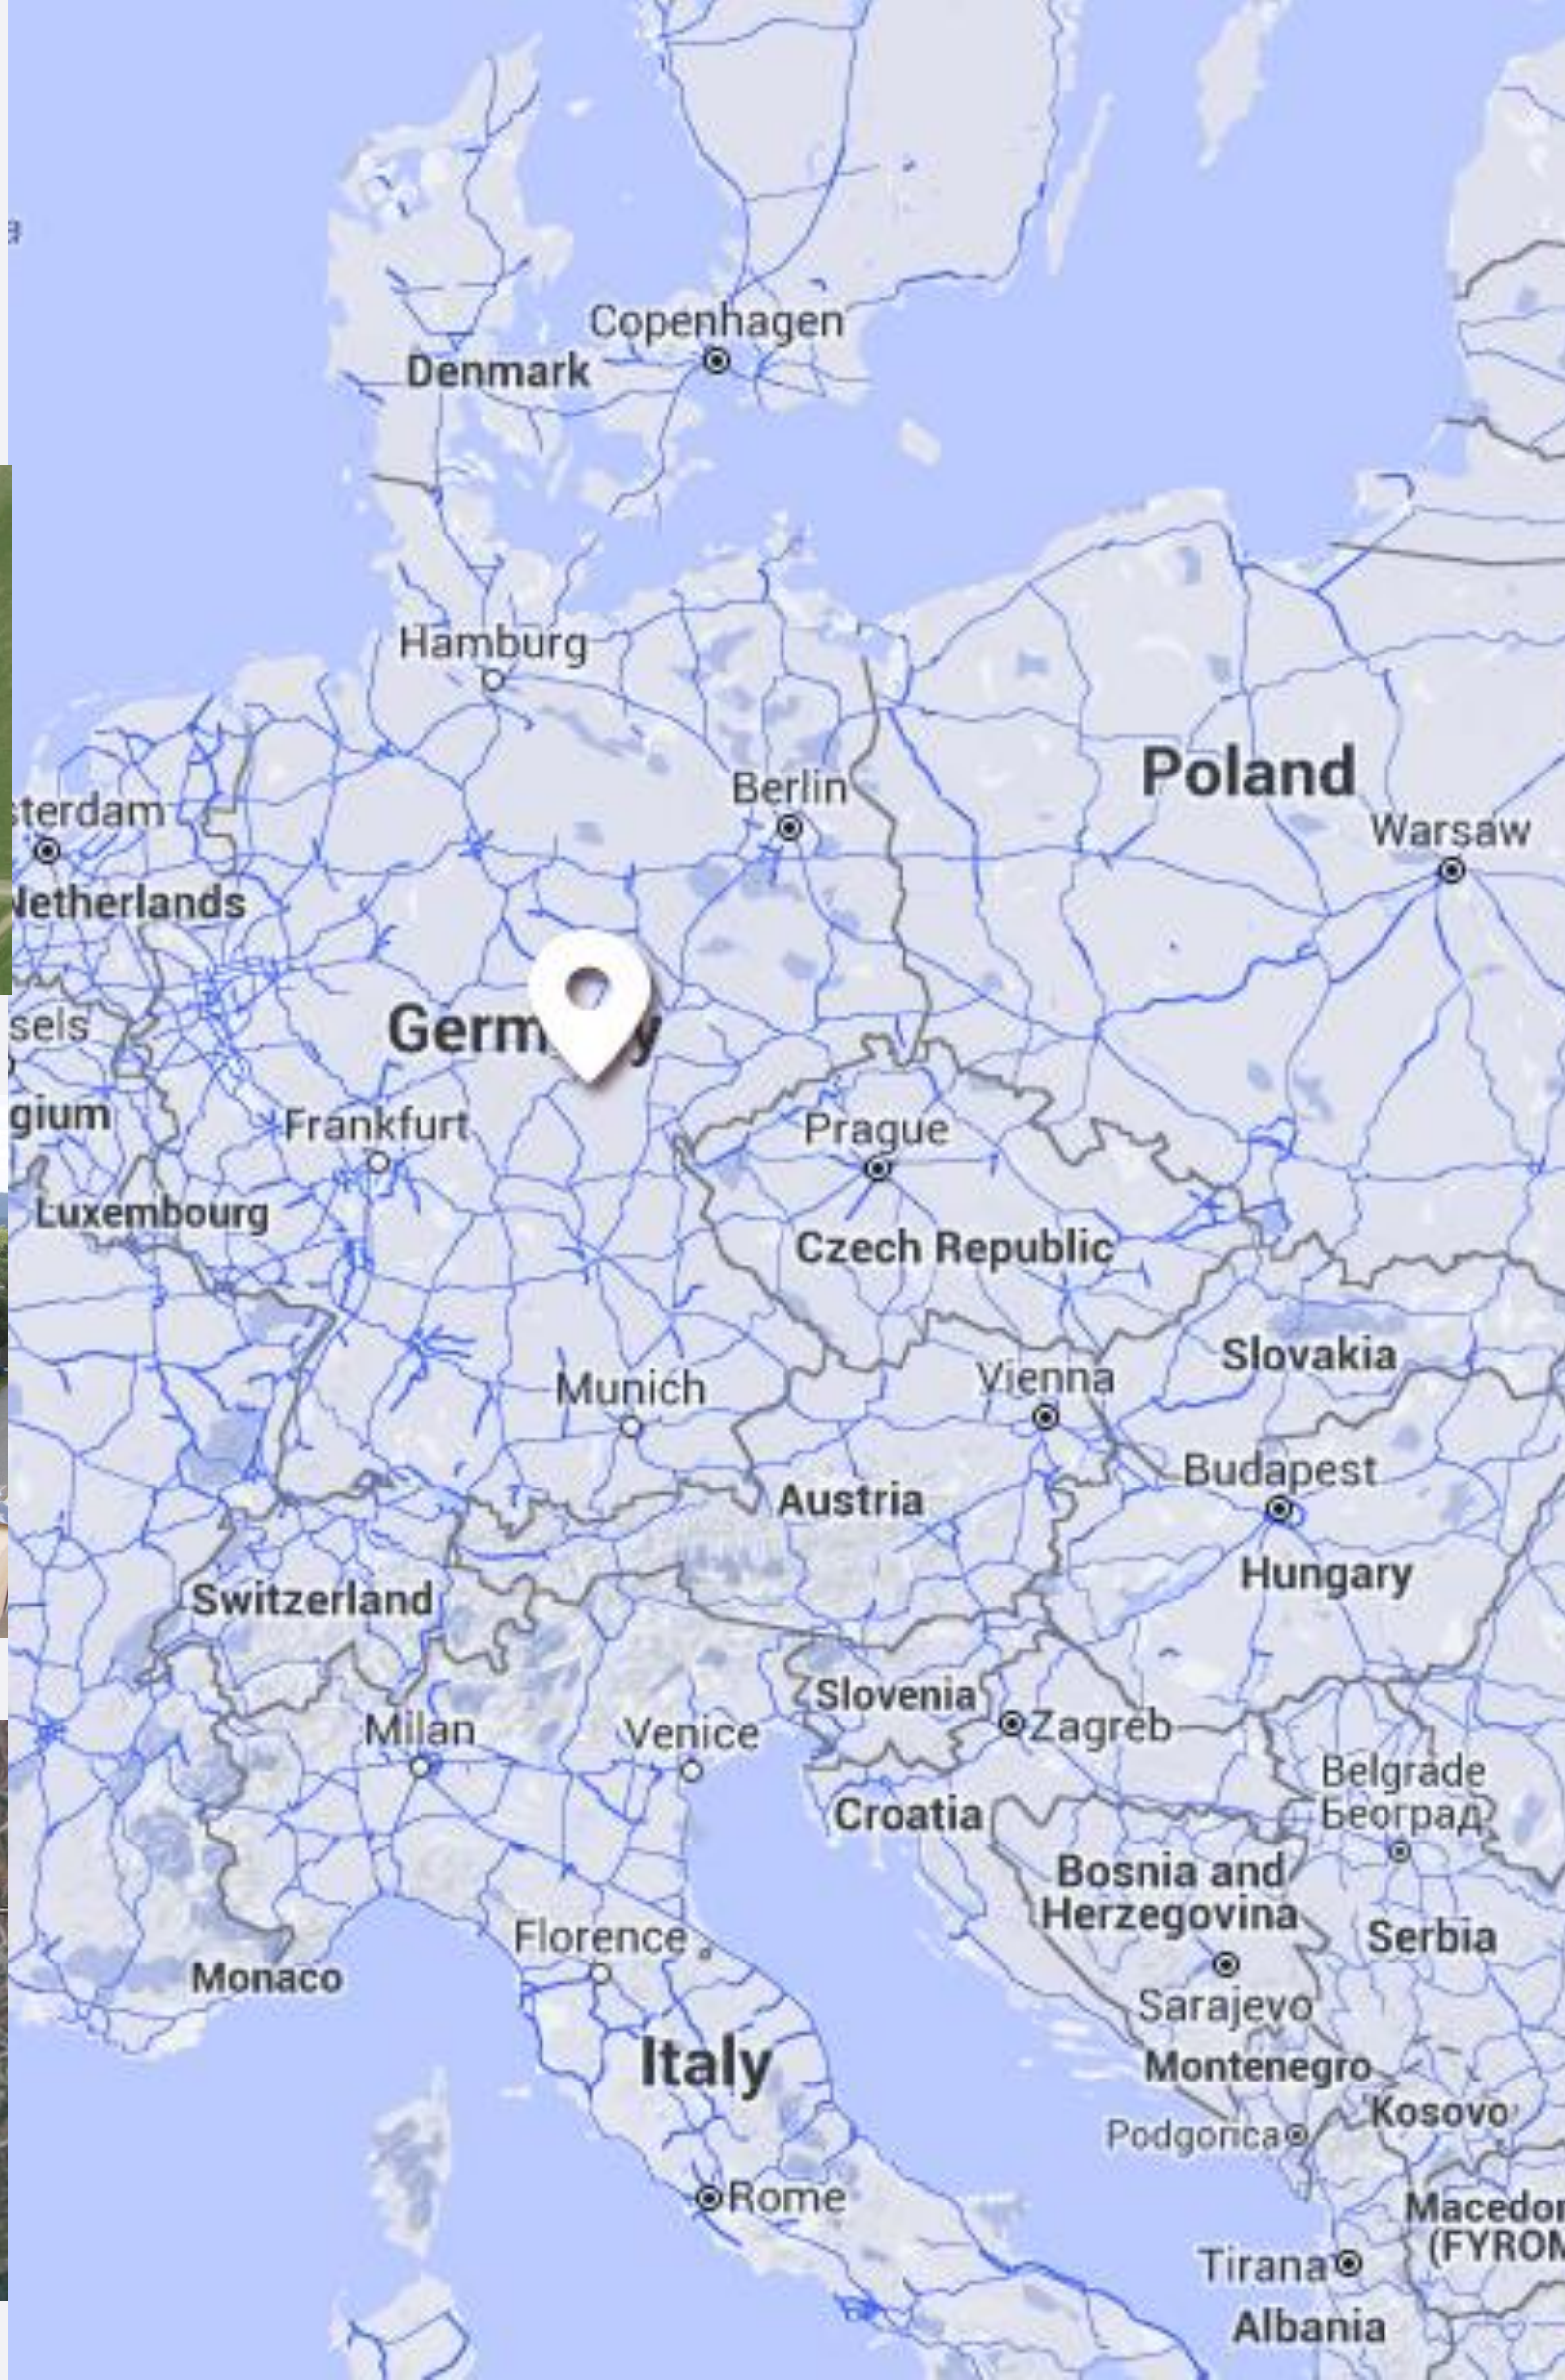

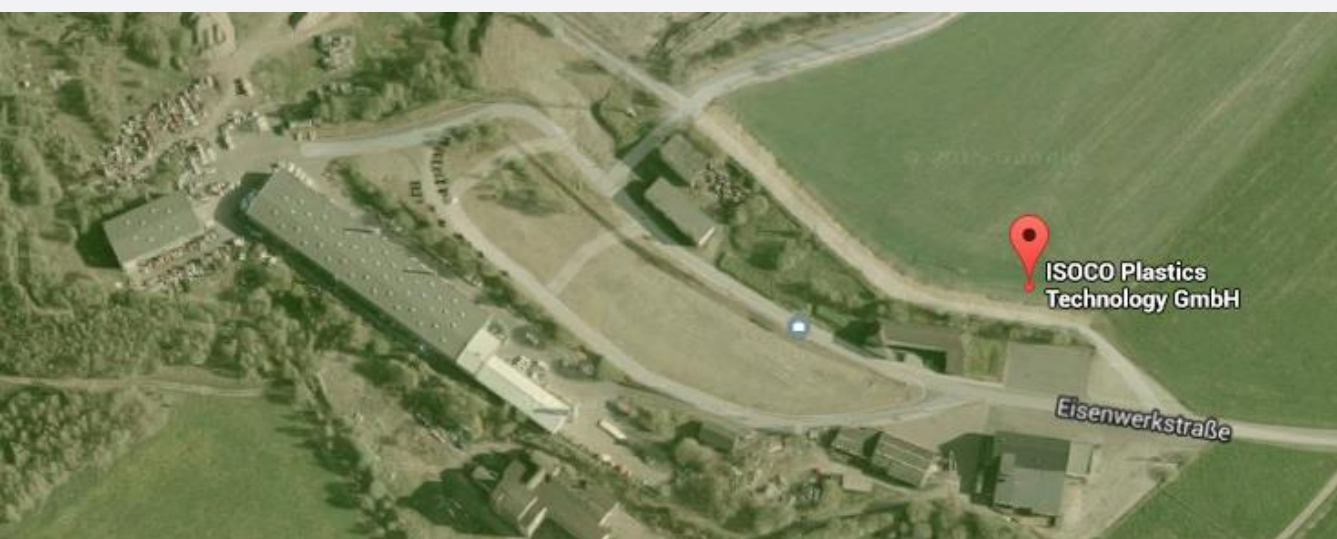

6000m²
in Schmiedefeld
4000m² in Erfurt,
housing 23 injection
molding machines
from 40 to 2300 to

Specializes in
high-quality
plastic products
for the automotive-
construction- and
logistic industry

With over
30 years of experience
continue to provide
the highest quality
products to our
customers while
ensuring we
stay innovative

ABOUT COMPANY FACILITIES

Three production
plants
5,000m²
2,000m²
6,000m²

55,000 m²
industrial area in
Schmiedefeld, Ger
many,
geographically in
the **center** of
Germany

New injection
molding plant
finished in **2018**

BUSINESS UNIT

INJECTION MOULDING SERVICE

Machine List

Injection Molding **23 machines, 11 machines > 1000t**

Brand	Type	Clamping Force	Brand	Type	Clamping Force
Arburg	270 C Golden Edition	400 kN	Engel	DUO 7050 500 WPX	5000 kN
